Medicine (MD)

Liaison Committee
on Medical
Education (LCME)

Last Accreditation Visit: 2003
Next self-study: 2008
Next accreditation visit: 2010

Program is fully accredited, with one noncompliance item in re mechanisms to ensure comparable educational experiences, methods of evaluation, and performance outcomes across clinical teaching sites; and transitional issues in re a) effect of new Mission Bay facilities on the school's faculty, students and programs; b) medical educational vision and goals of new dean; and c) outcomes of new curriculum implementation.

- administrative control and quality of clerkship experiences at Fresno site need to be more consistent.

Inventory of Concurrent Accreditation and Key Performance Indicators

<p>Nursing (MS) Note: In the School of Nursing's Masters Entry Program in Nursing (MEPN), students begin their Masters program with four quarters of generalist foundation training in nursing. This qualifies them to take (in the summer after completing their first year) the National Council Licensure Examination (NCLEX) - RN. They start their two-year Masters program the next year.</p>	<p>(1) Commission on Collegiate Nursing Education (CCNE) (2) California Board of Registered Nursing (BRN) • pre-licensure Masters entry program (MEPN) • Nurse Midwifery Program • Nurse Practitioner Programs (3) American College of Nurse-Midwives (ACNM)</p>	<p>(1) CCNE: Last review: 2000 Next review: 2010 (2a) BRN (MEPN) Last approval visit 2004 Interim visit: 2008 Next approval visit: 2012 (2b) BRN (Nurse Midwifery) Last interim visit: 2008 Next approval visit: 2010 (2c) BRN: (Nurse Practitioner) Last approval visit: 2000 Last interim visit: 2008 Next approval visit: 2010 (3) ACNM: Last affirmation of accreditation: 2000 Next accreditation review: 2010</p>	<p>Both MEPN and Masters programs are fully accredited. Aggregated comments: • Documents and publications don't state the objectives of the MEPN Program • Webpage not current • Course syllabi inconsistently outlined • Some required texts are greater than five years old • Some reading lists have not been updated since 1997 • Scores on specialty examinations are not consistently available</p>	<p>RN licensure for the MEPN program, and Nurse Practitioner Certification Exam Data (several sources):</p>	<p>[please see below]</p>

Pharmacy (PharmD)

Accreditation
Council for
Pharmacy
Education (ACPE)

Last Comprehensive Review:
2007-2008
Next Interim Review: 2008-2009
Next Comprehensive Review:
2013-2014

Program is fully accredited, and meets all standards. A report that included the following items was requested, and was sent to ACPE on October 2008.

- Description of progress on developing early practice experiences;
- Documentation of successful outcomes for students in two newer curricular pathways;
- A curricular map;
- Description of faculty recruitment and hiring, vacancies, and succession planning for retirements;
- Efforts to provide preceptor support, and to provide adequate office space for practice faculty; and
- Plans to ensure adequate state support for the PharmD program.

North American
Pharmacist
Licensure
Examination
(NAPLEX)

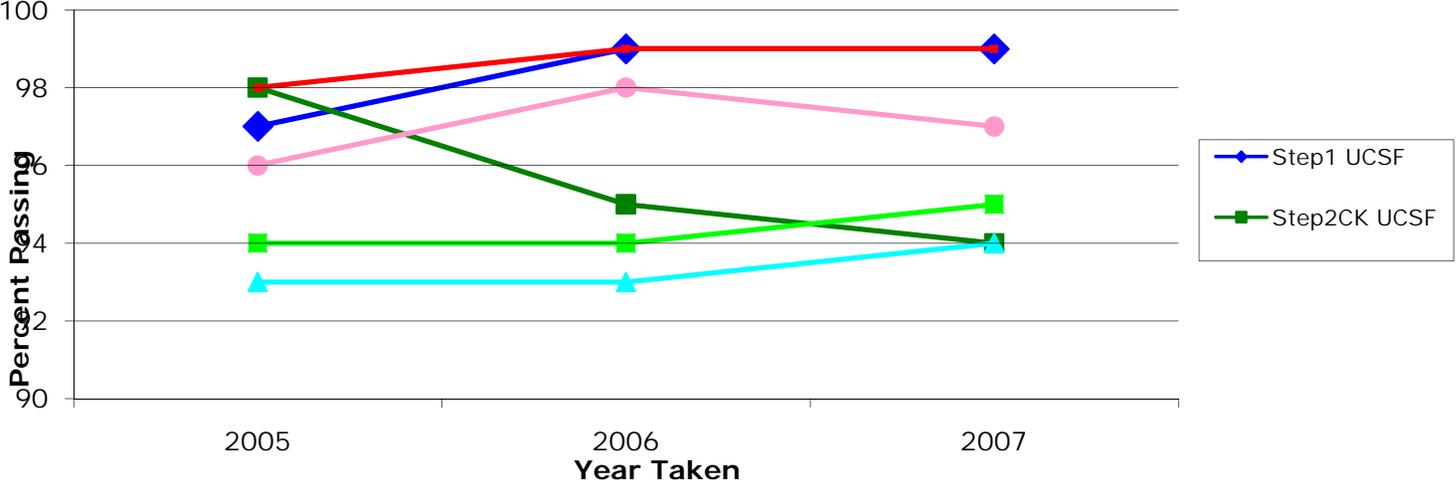

The NAPLEX pass rates for the last three years have been 95% (2006), 100% (2007), and 100% (2008).
