Institutional Stipulations

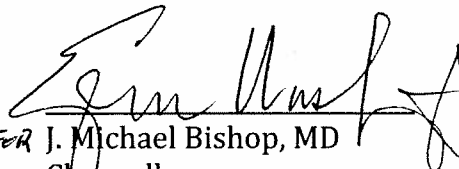

UCSF is using the WASC review process to demonstrate its fulfillment of the two Core Commitments: that it will engage in the process with seriousness and candor, that data presented are accurate, and that the Capacity and Preparatory Report will fairly present the Institution.

UCSF has published and made public available policies, as identified by the Commission in Appendix 1 of the WASC handbook. Such policies will be available for review on request throughout the period of accreditation.

UCSF will abide by procedures adopted by the Commission to meet U.S. Department of Education procedural requirements as outlined in Section VI of the WASC Handbook.

UCSF will submit all regularly required data and any data specially requested by the Commission during the period of accreditation.
