Data Exhibit 8.1 - Inventory of Concurrent Accreditation and Key Performance Indicators

(1) Name of accredited or certificated program	(2) Professional, special, state[1], or programmatic accreditation agency for this program	(3) Date of most recent accreditation action by agency	(4) Summary ("bullet points") of key issues for continuing institutional attention identified in agency action letter or report	(5) One performance indicator accepted by the agency; selected by program	(6) For one indicator, provide 3 years' trend data. Use link to cell for graph if desired.
Dentistry pre-doctoral program and international dentist program (DDS)	Commission on Dental Accreditation of the American Dental Association (CoDA)	8/4/2005	Approval without reporting requirements	National Board Dental Examinations (NBDE) Parts I & II scores/pass rate	see table top of page 4 below
_____					
Medicine (MD)	Liaison Committee on Medical Education (LCME)	Last accreditation: 2003; Next Institutional self-study: 2009-2010; Next accreditation visit January 2011	Program is fully accredited, with one noncompliance item in re: mechanisms to ensure comparable educational experiences, methods of evaluation, and performance outcomes across clinical teaching sites (administrative control and quality of clerkship experiences at Fresno site need to be more consistent); and transitional issues in re: a) effect of new Mission Bay facilities on the school's faculty, students and programs; b) medical educational vision and goals of new dean; and c) outcomes of new curriculum implementation.	United States Medical Licensing Examination (USMLE): Steps1, Step 2CK and Step 2CS	Please see plot "UCSF USMLE Performance compared to national" (page 4 below)

Data Exhibit 8.1 - Inventory of Concurrent Accreditation and Key Performance Indicators

(1) Name of accredited or certificated program	(2) Professional, special, state[2], or programmatic accreditation agency for this program	(3) Date of most recent accreditation action by agency	(4) Summary ("bullet points") of key issues for continuing institutional attention identified in agency action letter or report	(5) One performance indicator accepted by the agency; selected by program	(6) For one indicator, provide 3 years' trend data. Use link to cell for graph if desired.
Nursing (MS) Note: In the School of Nursing's Masters Entry Program in Nursing (MEPN), students begin their Masters program with four quarters of generalist foundation training in nursing. This qualifies them to take (in the summer after completing their first year) the National Council Licensure Examination (NCLEX)-RN. They start their two-year Masters program the next year.	(1) Commission on Collegiate Nursing Education (CCNE) (2) California Board of Registered Nursing (BRN) • pre-licensure Masters entry program (MEPN) • Nurse Midwifery Program • Nurse Practitioner Programs (3) American College of Nurse-Midwives (ACNM)	(1) CCNE: Last completed review: 2000. * Progress report for Commission on Collegiate Nursing Education was approved in 2005. Current review results pending: Feb. 2010. (2a) BRN (MEPN) Last approval visit 2004 Interim visit: 2008 Next approval visit: 2012. (2b) BRN (Nurse Midwifery). Last interim visit: 2010 Next approval visit: Feb. 2015, no citations. (2c) BRN: (Nurse Practitioner) Last approval visit: Feb. 2010. Last interim visit: 2008. Next approval visit: Feb 2015, (3) ACNM: Last affirmation of accreditation: 2010	Both MEPN and Masters programs are fully accredited by CCNE. Aggregated comments from the Spring 2000 CCNE visit: • Documents and publications don't state the objectives of the MEPN Program • Webpage not current • Course syllabi inconsistently outlined • Some required texts are greater than five years old • Some reading lists have not been updated since 1997 • Scores on specialty examinations are not consistently available. Interim progress report completed 2005, documented updates; noting deficiencies documented during 2000 visit have been remedied. Feb. 2010 visit found all above comments from 2000 continue to be successfully remedied.	MEPN: RN licensure for the MEPN program through the BRN; MS Program: Nurse Practitioner Certification Exam Data (several sources); PhD program: Employment (Alumni survey).	(please see below, page 5 onwards)

Data Exhibit 8.1 - Inventory of Concurrent Accreditation and Key Performance Indicators

(1) Name of accredited or certificated program	(2) Professional, special, state[3], or programmatic accreditation agency for this program	(3) Date of most recent accreditation action by agency	(4) Summary ("bullet points") of key issues for continuing institutional attention identified in agency action letter or report	(5) One performance indicator accepted by the agency; selected by program	(6) For one indicator, provide 3 years' trend data. Use link to cell for graph if desired.
Pharmacy (PharmD)	Accreditation Council for Pharmacy Education (ACPE)	Last Comprehensive Review: 2007-2008 Next Comprehensive Review: 2013-2014	Program is fully accredited, and meets all standards. An interim report submitted in October, 2008, addressed seven standards identified by ACPE as requiring additional monitoring. On the basis of the report, ACPE removed four of the standards from monitoring in January, 2009, and requested additional information. A subsequent progress report was submitted in October 2009 and accepted at the January 2010 ACPE Board meeting. At the present time, the UCSF School of Pharmacy PharmD Program is in good standing with ACPE and monitoring has been removed for all but one accreditation standard (Financial Resources).	North American Pharmacist Licensure Examination (NAPLEX)	The NAPLEX pass rates for the last three years have been , 100% (2007), 100% (2008) and 98% (2009)

# Data Exhibit 8.1 - Inventory of Concurrent Accreditation and Key Performance Indicators

(1) Name of accredited or certificated program	(2) Professional, special, state[4], or programmatic accreditation agency for this program	(3) Date of most recent accreditation action by agency	(4) Summary ("bullet points") of key issues for continuing institutional attention identified in agency action letter or report	(5) One performance indicator accepted by the agency; selected by program	(6) For one indicator, provide 3 years' trend data. Use link to cell for graph if desired.
Physical Therapy (MS-PT/DPT)	Commission on Accreditation in Physical Therapy Education (CAPTE)	Last accreditation visit: 2001 Next accreditation visit: 2013	Program is fully accredited, with requirements for full compliance noted as follows: • Table listing each non-core faculty member by appointment, teaching responsibilities and teaching expertise (provided in Progress Report); • Evidence of a plan for ongoing scholarly activity by two (named) faculty (provided in Progress Report); • Need for adequate staff support for program (partially resolved); • Inadequate space for faculty offices and faculty practices (incompletely resolved - current space is barely adequate); • Show how graduation and alumni survey data were used to improve program in one area (provided in Progress Report)."	National Physical Therapy Examination (NPTE)	For the past three years, the pass rate for the NPTE has been 97-100% on the first attempt, and 100% on the second attempt.
